The Derby Canal - An Update

Chris Madge will provide an update on the progress towards restoration. There's movement on the river in Derby city and the Derby Arm boat lift. Hear about the 6 cottages acquired by the Trust and their progress to restore them together with the first kilometre of canal. You'll also hear of the plans for a 2018 WRG canal camp at Borrowash.

7.30pm Monday 15th January 2018
Ironville Church Hall
(NG16 5NN)

Admission: £2

Tea, Coffee, Bar & Raffle
